Quick Set-Up Guide

WIRING UP YOUR RADIO

*****IMPORTANT*** Please make sure the yellow wire is connected to the permanent live feed (+12V) of the vehicle battery for the preset memory's Disconnect negative battery terminal from battery before starting installation. Consult the vehicle owner's manual for proper instructions.**

1. Install the Radio using the Din-Front Mount or Din-Rear Mount Method.
2. The Radio is equipped with ISO connector. ISO connector is the universal connector for the connection of car radio.
3. Make sure that you have a good chassis ground. Good ground connections will eliminate most electrical noise problems.
4. Please seek professional advice if you are in experienced installing this type of product.

WORKING WITH THE UNIT

1.USB Flashdrive & SD Card

Simply plug your USB Flashdrive or SD Card (or both) into the USB socket/Card slot. The contents will be played automatically. These can be removed at any time.

2.Aux-in Jack

The front Aux-in Jack can be used for connecting additional audio devices (i.e.MP3 players/Ipods) to the unit. Simply connect one end into the Aux-in Jack and the other to your MP3/Ipod.

3.Radio

Press the MODE button to select RADIO mode.You can press and hold the seek up/down button to search for your favorite stations, or you can press and hold the APS button to automatically scan the strongest stations and save them as presets.When it is on RDS mode, press PTY button to select suitable mode.

4.Bluetooth Connection

The Bluetooth of this radio is always in standby mode for pairing and connection, signaled by a blinking Bluetooth icon on the LCD Display.

At this blinking time, please run the Bluetooth search and connect function in your cellphone. The car radio model no "Denver BT" will be shown on the cellphone. Select this car radio and connect. When you are asked for a connection password, please input "0000" in your cellphone to finish the pairing. The Bluetooth icon on the display will be on indicating that the connection is established. Bluetooth function is ready to use.

Please notice - All products are subject to change without any notice. We take reservations for errors and omissions in the manual.
