4. Do not drop or knock your earbuds on hard surfaces.
5. Do not scrape the surface with sharp objects.
6. Do not try to dismantle the earbuds.

#### Delivery Content:

1. Two earbuds (L / R)
2. USB charging cable
3. Two pairs of earbud tips (Large and small sizes)
4. Charging case
5. Instruction manual

EN

#### Usage Instructions

##### 1. Pairing the earbuds with your smartphone

**Step 1.** The earbuds would turn on once they are taken out from the charging case, or long press the touch panels of both earbuds, with voice prompt of 'Power on'.

**Step 2.** RED and BLUE LED would start blinking on both the earbuds. Both of the earbuds would automatically pair with each other within 5 secs.

Once they are paired with each other, one of the earbuds would show a RED and BLUE LED blinking alternatively, which means they are ready to pair with your smartphone.

**Step 3.** Now switch on Bluetooth in your smartphone to search for nearby devices and pair with the name 'TWE-53MK2' with voice prompt 'Connected' after the pairing succeed. Enter '0000' if prompted for password.

The earbuds would re-connect with smartphone automatically after pairing.

#### Notes:

The L or R earbud can be used alone to pair with your smartphone, and thus only mono sound is available.

EN

##### 2. During Music Playback

- 2.1 Touch the L or R panel ONCE to Play / Pause the track
- 2.2 Touch the L or R panel TWICE to skip to Next track
- 2.3 Touch the L or R panel THREE TIMES to skip to Prev. track

##### 3. During Calls

- 3.1 Touch the L or R panel ONCE to attend the incoming call / end the call.
- 3.2 Touch the L or R panel for 2 seconds to reject the incoming call.

##### 4. Charging earbuds

Electric and electronic equipment and included batteries contains materials, components and substances that can be hazardous to your health and the environment, if the waste materials (discarded electric and electronic equipment and batteries) are not handled correctly.

Electric and electronic equipment and batteries are marked with the crossed out trash can symbol, as below. This symbol signifies that electric and electronic equipment and batteries should not be disposed of with other household waste, but should be disposed of separately.

As the end user it is important that you submit your used batteries to the appropriate and designated facility. In this manner you make sure that the batteries are recycled in accordance with legislature and will not harm the environment.

All cities have established collection points, where electric and electronic equipment and batteries can either be submitted free of charge at recycling stations and other collection sites, or be collected from the households. Additional information is available at the technical department of your city.

Hereby, Inter Sales A/S declares that the radio equipment type DENVER TWE-53MK2 is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address: Please enter: www.denver-electronics.com and then click the search ICON on topline of website. Write model number: twe-53mk2. Now enter product page, and red directive is found under downloads/other downloads.
