Denver SHC-150

- Digital indoor IP dome camera with IR led's for night use
- Pair with your home Wi-fi and use the
- camera online (WEP/WPA/WPA2)
- 1mpixel sensor - HD resolution 720P - 1280x720@12fps)
- Pan 355°/Tilt 90° - motorized
- TUYA smart home compatible (uses TUYA SMART app)
- Built-in speaker & microphone
- IR distance up to 10 meters
- Motion detection (records 20-30 seconds minute per motion) + manual access (Motion detection up to 10 meters, a bit lower at night)
- MicroSD card slot - up to 128gb (not incl.)

If you get an error message that the camera has already been paired to another account, please do as follows:

1. Connect camera to power

2. Push and hold the small reset button and KEEP on holding, even though the camera says it is reset and will reboot..

Hold it for at least 10-15 seconds and then let go.

Now you should be able to pair it, as it is completely reset and has lost it's old pairing.

INFO: Please download TUYA SMART instead of Denver smart home, if you get a notice on Android phones, that the app is not available for your model. TUYA SMART is the main "mother" app, and we suggest always using that.

- ⚙ Highlights
