

Denver SHO-110

- Digital outdoor IP camera with IR led's for night use
- Pair with your home Wi-fi and use the camera online (WEP/WPA/WPA2) or use with LAN cable
- 1mpixel sensor - HD resolution 720P - 1280x720@30fps)
- TUYA smart home compatible (uses DENVER SMART HOME app)
- Built-in speaker & microphone
- IR distance up to 30 meters
- Motion detection + manual access (motion detection up to 30 meters - a bit less at night)
- MicroSD card slot - up to 128gb (not incl.)
- Push notifications to phone when there is movement
- Metal housing
- Water splash proof - IP65

If you get an error message that the camera has already been paired to another account, please do as follows:

1. Connect camera to power
 2. Open the small hatch underneath the camera (takes a small screwdriver to do taht)
 3. Push and hold the small reset button and KEEP on holding, even though the camera says it is reset and will reboot..
- Hold it for at least 10-15 seconds and then let go.

Now you should be able to pair it, as it is completely reset and has lost it's old pairing.
